

MEMORANDUM

TO: Ray Owens
FROM: Bonnie ^{Bonnie} of Water Rights
DATE: August 31, 1995
SUBJECT: Water Right ownership changes to Joseph and Cove Highland Canal Co.

Recently Eric Anderson processed some change of ownerships to Joseph & Cove Highland Canal Company, 2614 S Hwy 89, Sevier, Utah, 84766 for the following water rights: 63-3055, 63-3057 and 63-3062. He advised me of the change because these water rights are associated with the distribution accounts 52-32, 52-93, 52-95.

I am enclosing copies of the account screens for these accounts, plus 52-42, in the name of Joseph Cove Irrigation Company. Also, I am enclosing copies of the title abstract forms. I've also enclosed copies of title abstracts for other associated water rights: 63-3054, 63-3061 with questions.

Will you please let me know if you feel we need to create or just modify the current assessment accounts.

Thank you very much.

Ray,

Have you been able to check into the facts in your records regarding the above question? If you can let me know when you're up for the seminar Nov 7 and 8, that will be soon enough.

Thank you very much.

Ray, I failed to keep a copy of everything I sent you, but am enclosing new copies of transfers of title and account screens. After looking over these worksheets I hope I have asked for that which is most needed to be modified or created.

Thank you for your help.

Bonnie

*I wonder, why
aren't we billing
these 3 users?
(see DS acct 52-95.
instead of Ut. Dept
Prop. Mgmt.)*

*See mentioned that we do not bill
the State of Ut (usually they hold a bill
contract in someone or a corp. name.
